10 During the year the school district accepts checks from parents and employees for
11 payment of school meals, activity fees, and other charges. Because of the additional
12 costs to collect NSF checks, the district will now charge a \$20.00 service fee for a non-
13 sufficient check. Persons who have written two or more non-sufficient checks will lose
14 check writing privileges with the district.

18 The district will not accept any checks with the signators address being out- of-state. If
19 an out of state check is received for school meals, it will be returned and the student will
20 be allowed to charge lunches for up to three days, at that time the lunch account must
21 be paid using a local check, cash or money order.
