The Internship

A dimly lit office scene with several people working at computers. The focus is on a woman in the foreground, looking intently at a large computer monitor. The monitor displays a webpage with text and a dark image. In the background, other workers are visible at their desks, also working. The overall atmosphere is professional and focused. The text "The Internship" is overlaid in a large, white, sans-serif font across the center of the image.

How It Works

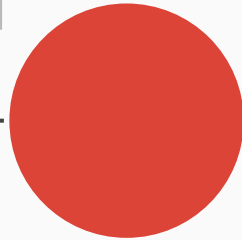

Step 1

Hone your craft all through your high school career.

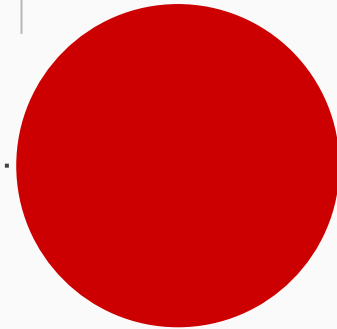

Step 2

Get an internship. (Go to interviews, prepare cover letters, etc.)

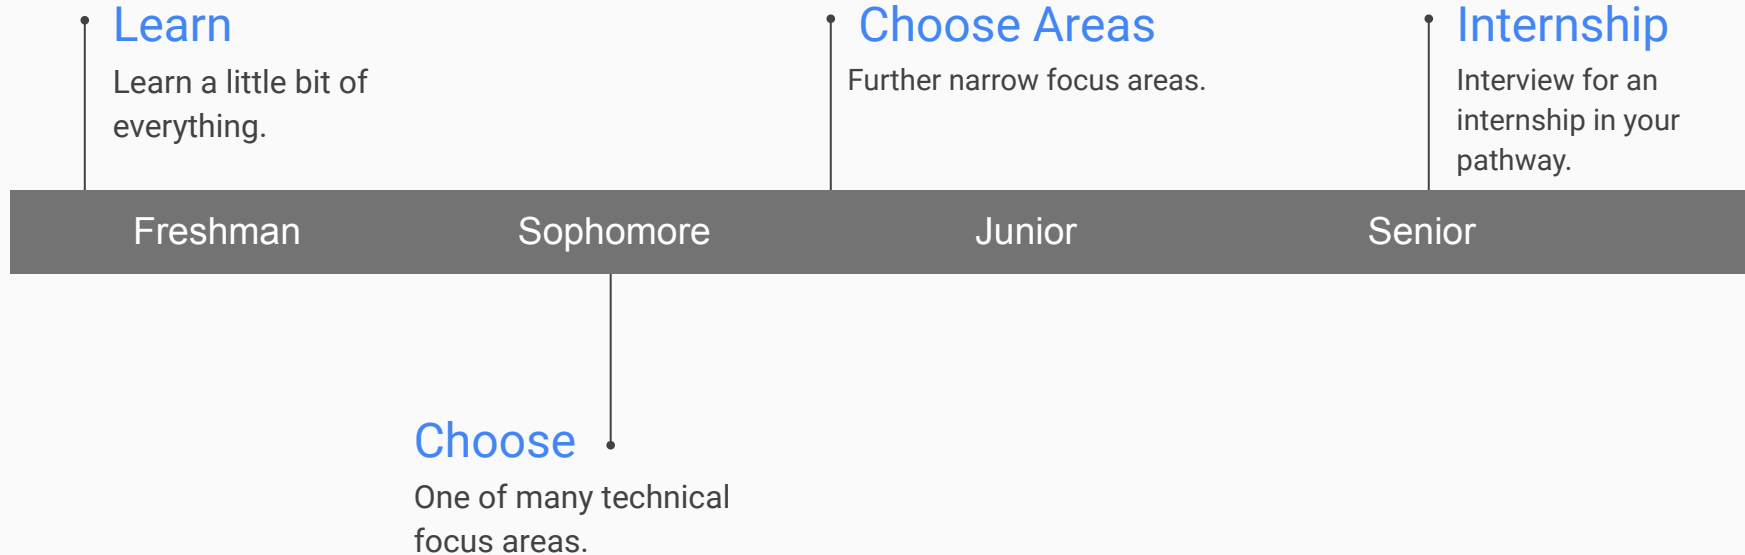

Step 3

Keep your internship for **280** hours.

Milestones

How do I get there?

Internship

Answer the question, "What was your internship like?"

Beckett Bodell

"My internship was amazing! I was able to use the skills I've learned in the past three years in a real-world job, but I also learned more than I ever thought I could during the summer internship."

Savannah Blood

"My internship was super helpful to my learning because it provided a relaxed and fun environment for me to experience the real working world in."

Mitchel Fairbanks

"It was a lot of fun; the atmosphere was very relaxed while still being work-driven, I got to work on and learn a lot of different things, some of which even my boss didn't know."

Devonne Busoy

"My internship was flexible and relaxed. There was a steady stream of work, but I never felt overwhelmed."
